## **SAFETY RULES & ANIMAL PROTOCOLS**

### **Visitor Review & Initialing Form**

Each item must be read carefully and initialed to confirm understanding and agreement. These rules protect you, animals, and property. Failure to follow them may result in immediate removal from the premises.

#### **GENERAL SAFETY RULES**

\_\_\_\_\_ I will follow all posted signs, verbal instructions, and safety guidelines given by Luna Farm & Sanctuary staff or owner.

\_\_\_\_\_ I understand this is an active working farm and I will remain alert, move slowly, and always be aware of my surroundings.

\_\_\_\_\_ I will stay in designated visitor areas unless specifically given permission to enter a restricted or animal-handling area.

\_\_\_\_\_ I will always supervise children and ensure they follow every rule listed here.

\_\_\_\_\_ I will not open or climb gates, fences, stall doors, or enclosures without explicit permission.

#### **HORSE, DONKEY & EQUINE SAFETY**

\_\_\_\_\_ Horses, ponies, and donkeys may be petted **ONLY** when their stalls and doors are locked, unless otherwise instructed by staff.

\_\_\_\_\_ I will not enter stalls, pastures, or paddocks without express permission from the owner.

\_\_\_\_\_ I will not feed any horse, donkey, or equine without approval, and only supplied or approved feed/treats.

\_\_\_\_\_ I understand horses can bite, kick, or push unexpectedly—even gentle or trained ones—and I will stay a safe distance from their hindquarters and maintain calm behavior.

\_\_\_\_\_ I will not run, scream, chase, tease, or startle any equine on the property.

## **SMALL ANIMAL SAFETY**

\_\_\_\_\_ I will only handle animals offered to me by staff and will not approach or handle animals without permission.

\_\_\_\_\_ I will not pick up or handle rabbits, poultry, or small animals unless specifically instructed and supervised.

\_\_\_\_\_ I will keep all personal pets inside my vehicle unless prior approval has been given (no exceptions for off-leash animals).

\_\_\_\_\_ I will not feed cats, rabbits, poultry, or any small animals unless provided or approved by staff.

## **FEEDING RULES**

\_\_\_\_\_ I will never bring outside food, treats, or snacks for any animal. Farm-approved feed only.

\_\_\_\_\_ I understand unauthorized feeding can cause colic, choking, illness, or death, and I accept full responsibility for any harm caused by violating feeding rules.

## **PROPERTY CONDUCT**

\_\_\_\_\_ I will not touch, use, or handle farm equipment, tools, machinery, tack, or supplies without permission.

\_\_\_\_\_ I will respect all plants, gardens, fencing, structures, and property features; no climbing, pulling, or damaging any part of the farm.

\_\_\_\_\_ I will not litter and properly dispose of trash.

\_\_\_\_\_ I will not smoke, vape, consume alcohol, or use illegal substances anywhere on the property.

## **HEALTH & CLEANLINESS**

\_\_\_\_\_ I will wash or sanitize my hands after handling any animals, feed, soil, or farm surfaces.

\_\_\_\_\_ I will report any injury, bite, scratch, or concerning animal behavior immediately to the owner.

## **GUEST RESPONSIBILITY & CONSENT**

- I acknowledge that these safety rules apply to all guests I bring onto the premises.
- I agree that all guests must sign their own liability waiver before entering the property.
- I understand I am responsible for any guest's actions, damages, or violations of these rules.
